Set against a backdrop of rolling hillsides our park of luxury caravans and lodges overlooks the Irish Sea and Dee Estuary.

We've always been family-owned and the warm and welcoming feel of Tree Tops has stayed with us through the generations.

Creating special moments with family and friends, finding a place to breathe, relax and unwind...this is what we've always been about.

change with the seasons - but our ethos doesn't. Warm, friendly and welcoming, it's the little touches that make all the difference.

WE'RE AT THE HEART OF IT

Our caravans and lodges are owner occupied but no matter how many times you come to stay there's always a new discovery to be made.

We're moments from the coastal sands of North Wales and just a drive away from cities, towns and villages packed with so much to see and do.

Family-friendly fun parks, water sports, arts and crafts, perfect places to dine...culture and heritage merge in an area unlike any other.

We're a pebble's throw from the sandy beaches of Prestatyn and Talacre and an hour away from Snowdonia, the highest mountain range in Wales.

We're right at the heart of it all.

OUT & ABOUT

North Wales is brimming with places to see, explore and discover.

HERITAGE

Castles, coves, history and heritage trails, it's all on our doorstep.

The North Wales coast is home to Flint, Rhuddlan, Conwy, Caernarfon and Harlech castles and Llandudno's

Our gardens are multi award-winning and we hold accolades for our conservation work. Our own team of gardeners grow the hundreds of plants which give the park its own special feel. We've fruit trees, hedgerows and wildlife corridors for all those little creatures that live alongside us and some 40 species of birds swoop in the skies above. Creating a special environment for them is as important as creating a special environment for you.

Five star standards, beautiful surroundings, stunning sea views and a fantastic location make Tree Tops Caravan Park the perfect place for your second home.
